Ursa Farmers Co-Operative Company's (UFC) credit policy is as follows (applies to purchases made from UFC):

Terms are cash unless convenience credit is extended until the twentieth (20th) of the following month through UFC's written approval. UFC-selected items will receive a three (3) percent cash discount on selected products, if credit approved, and paid in full by the twentieth (20th) of the following month. Your account is subject to a two (2) percent finance charge per month on the unpaid past due balance, commencing on the first day past due. In addition, if your account becomes past due, your credit privileges will be revoked unless credit arrangements have been accepted in writing by UFC. Therefore, it is very important to remit payment to UFC to receive the cash discount and avoid additional charges. In the event that UFC is forced to initiate collection proceedings for amounts it is owed, purchaser agrees that it will be liable for all collection and other costs incurred by UFC, whether or not litigation is commenced, including, but not limited to, reasonable attorneys' fees & court costs.
