HERITAGE 16% TEXTURED HORSE FEED

Heritage 16% Textured is formulated for foals, mares, weanlings, yearlings and performance horses.

Heritage 16% Textured contains added organic zinc and copper, to develop strong bones, Biotin, for hoof health and growth; Vitamin E, to help reduce muscle stiffness and improve endurance; plus Lysine, an essential amino acid, which improves protein utilization for growth and development.

GUARANTEED ANALYSIS:

(As Fed Basis)

Crude Protein, min.....	16.00%
Lysine, min.....	0.80%
Methionine, min.....	0.35%
Crude Fat, min.....	4.50%
Crude Fiber, max.....	7.00%
Calcium (Ca), min.....	0.80%
Calcium (Ca), max.....	1.20%
Phosphorus (P), min.....	0.70%
Copper (Cu), min.....	50.00 ppm
Zinc (Zn), min.....	175.00 ppm
Selenium (Se), min.....	0.50 ppm
Vitamin A, min.....	5,000 IU/lb.
Vitamin D, min.....	450 IU/lb.
Vitamin E, min.....	80 IU/lb.
Biotin	0.30 mg/lb.

INGREDIENTS:

Whole Oats, Corn Chops, Steamed Rolled Barley, Wheat Middings, Soybean Meal, Rice Bran, Cane Molasses, Soybean Oil, Dicalcium Phosphate, Dried Yeast Culture, Anise Oil, Lysine, Methionine Supplement, Calcium Carbonate, Vitamin A Supplement, D-Activated Animal Sterol (source of Vitamin D3), Manganese Sulfate, Copper Sulfate, Ferrous Sulfate, Zinc Sulfate, Choline Chloride, Sodium Selenite, Niacin Supplement, Riboflavin Supplement, D-Calcium Pantothenate, Vitamin E Supplement, Vitamin B12 Supplement, Folic Acid, Biotin, Thiamine Mononitrate, Pyridoxine Hydrochloride, Ethylenediamine Dihydriodide, Cobalt Carbonate, Menadione Sodium Bisulfate Complex, Ascorbic Acid, Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Lactis Fermentation Product, Dried Lactobacillus Plantarum Fermentation Product, Dried Streptococcus Cremoris Fermentation Product, Dried Streptococcus Diacetylactis Product, Alpha Amylose, Protease and Beta Gluconase from Dried B-Subtillis Fermentation Product and Dried Aspergillus Oryzae Fermentation Product, Zinc Methionine Complex, Manganese Methionine Complex, Copper Lysine Complex and Cobalt Glucoheptonate.

HERITAGE 16% TEXTURED HORSE FEED (CONTINUED)

Features	Benefits
Zinpro 4-Plex Organic Trace Minerals	Skeletal development & productive growth.
Added Vegetable Oil	Increases energy density of feed.
Guaranteed Lysine & Methionine	Supplies essential amino acids for proper growth and development.
Yeast and Probiotics	Improves Feed digestibility and gut health
Added Biotin	Improves quality hoof growth.

FEEDING DIRECTIONS:

<u>Mature Horses:</u>	<u>Daily lbs. fed per 100 lb BW</u>
Maintenance/Early Gestation	.3—.5
Light Work/Last 1/3 Gestation	.6—.8
Stallions	.6—.8
Medium Work	.75—1.0
Heavy Work	1.0—1.4
 <u>Lactating Horses:</u>	
Foaling—3 Months	1.0—1.4
3 Months—Weaning	.75—1.0
 <u>Growing Horses:</u>	
Weanlings	1.0—1.5
Yearling	.8—1.4
2 Year Olds	.6—1.0

Horses should consume a ration of long stem roughage (hay) equaling 1 to 1.50 lbs. per 100 lbs. of body weight daily. Feed at a regular time each day and split feedings into two separate feedings. Do not feed more than 0.50% of body weight at each feeding. If you are feeding more than 0.50% at each feeding switch to three feedings per day. Provide free choice fresh, clean water at all times except to hot horses that have just been exercised. Offer salt free choice at all times and Big V 12:12 Horse Mineral can be fed if desired. Bring horses on to this feed gradually over a 10-day period to give the horse's digestive system time to adapt to the new ration. Do not feed the growing horse excessive amounts that would produce overweight weanlings/yearlings.

Available in 50 lbs. (22.68 kg.)

Product Code:

0304

HERITAGE 14% TEXTURED HORSE FEED

Heritage 14% Textured is formulated for mares, stallions, yearlings, mature pleasure (light activity) and performance (moderate activity & intense) horses.

Heritage 14% Textured contains added organic zinc and copper, to develop strong bones, Biotin, for hoof health and growth; Vitamin E, to help reduce muscle stiffness and improve endurance; plus lysine, an essential amino acid, which improves protein utilization for growth and development.

GUARANTEED ANALYSIS: (As Fed Basis)

Crude Protein, min.....	14.00%
Lysine, min.....	0.65%
Methionine, min.....	0.24%
Crude Fat, min.....	5.00%
Crude Fiber, max.....	7.00%

HERITAGE 12% HORSE FEED WITH SOYBEAN OIL (No Molasses)

Heritage 12% Horse with Soybean Oil is formulated for mares, stallions, mature pleasure (light activity) and performance (moderate activity) horses.

Heritage 12% Horse with Soybean Oil is formulated without MOLASSES. It has the same formulation as the Heritage 12% Textured, but with the added benefit of extra soybean oil to give the product an extra shine. Also, this product will not attract flies like molasses based products during the summer; an added benefit for your customers.

INGREDIENTS:

Steamed Rolled Oats, Corn Chops, Soybean Meal, Wheat Middlings, Yellow Corn Meal, Dicalcium Phosphate, Calcium Carbonate, Magnesium Mica, Soybean Oil, Dehydrated Alfalfa Meal, Dried Skim Milk, Iron Oxide, Yeast Culture, Zinc Oxide, Ferrous Carbonate, Manganous Oxide, Potassium Sulfate, Magnesium Sulfate, Ethylenediamine Dihydroiodide, Cobalt Carbonate, Mineral Oil, Anise Flavoring, Vitamin B12 Supplement, Riboflavin Supplement, Calcium Pantothenate, Niacin Supplement, Choline Chloride, Pyridoxine Hydrochloride, Thiamine Mononitrate, Vitamin E Supplement, Vitamin A Supplement, D-Activated Animal Sterol (Source of Vitamin D3), Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Lactis Fermentation Product, Dried Lactobacillus Plantarum Fermentation Product, Dried Streptococcus Cremoris Fermentation Product, Dried Streptococcus Diacetylactis Fermentation Product, Dried B-Subtillis Fermentation Product, Dried Aspergillus Oryzae Fermentation Product, Dried Brewers Yeast, Propylene Glycol, Ferrous Sulfate, Zinc Sulfate, Manganese Sulfate, Copper Sulfate, Sodium Selenite, Folic Acid Supplement, Menadione Sodium Bisulfite Complex and Ascorbic Acid.

FEEDING DIRECTIONS:

Feed at a regular time each day if possible and feed approximately 8 lbs. of quality feed. Working horses should be fed one to two hours before work with 1/3 of the long roughage (hay). The balance of roughage after work. Horses should consume a ration of long roughage (hay) equaling 1 to 1 1/2 lbs. per 100 lbs. of body weight daily. Broodmares should be fed twice daily. Race horses should be fed 3 times daily dividing the ration in equal portions. Keep salt and mineral available at all times with fresh water. Keep stalls clean and fresh. Do not over feed or water as it can cause founder or colic. DO NOT FEED TO SHEEP OR GOATS.

Available in 50 Lb. (22.68 kg.)

Features

Benefits

Added Vitamins & Minerals	Supports skeletal development.
Biotin	For Hoof Quality and Growth.
Yeast Culture	Improves feed digestibility & gut health.
Selenium	Supports the immune system.

Product Code:

0196

HIGH GRAIN 10% SWEET FEED

For All Equine and Beef Animal Classes.

GUARANTEED ANALYSIS:

Crude Protein, min.....	10.00%
Crude Fat, min.....	6.00%
Crude Fiber, max.....	7.00%

INGREDIENTS:

Screened Corn Chops, Steam Rolled Barley, Whole Oats, Soybean Meal, Cane Molasses and Soybean Oil.

FEEDING DIRECTIONS FOR HORSES:

Feed horses 1/2 to 1-1/2 lbs. for every 100 lbs. of body weight daily. Vary amount according to activity level and body condition. Horses should consume a ration of long stem roughage (hay) equaling 1 to 1-1/2 lbs. per 100 lbs. of body weight daily. Broodmares should be fed twice daily. Race horses should be fed 3 times daily, dividing the ration in equal portions.

FEEDING DIRECTIONS FOR CATTLE:

Feed 2 to 8 lbs. per head per day. Provide good quality roughage source at all times. Keep salt and appropriate Big V Mineral available at all times along with fresh water.

Do not over feed or water as it can cause founder or colic.

Available in 50 Lb. (22.68 kg.)

Benefits:

- ★ An economical and nutritious sweet feed to be fed with good quality hay or alfalfa.
- ★ Provides increased energy for growth and enhanced performance.
- ★ A balanced blend of corn, oats, barley, molasses and protein that gives superior quality for all classes of livestock.

Product Code:

0197
