WELCOME TO BOGS FOOTWEAR

### IT'S ALL ABOUT THE SOLE

From the wet, windy coastal gales to the knee-deep mud and snow of the Willamette Valley and the Cascades, BOGS® quality footwear roots itself in Oregon — and its weather. With our forty years of shoe industry experience, we've strived to produce the most comfortable footwear for the most uncomfortable conditions, keeping your feet warm and dry — all day long. Whether it's the farm, the forest or a night on the town, our designs integrate ground-breaking function with style.
