

## **NOTICE**

Due to the Covid 19 Virus

Graymont Coop will immediately be starting a Closed door but  
OPEN for business policy.

All of GCA office buildings will be closed for public access but we  
will be inside working and still be able to provide you with the  
products and services that you may need while we follow  
Government Guildlines of social seperation.

If you need to pickup a product or maybe swing by to grab a  
grain check, we will be doing that exchange on the exterior areas  
of our office buildings, "CURB SIDE". If these transactions can be  
done by mail or electronically we ask that you choose that option,  
if possible. If you are not set up to receive ACH Grain payments  
and would like to, let us know.

This Virus has changed alot of "business as usual" in our world  
and we will adjust our policies as we learn more information on  
this virus, but one thing that has not changed is the ability of the  
agriculture community to once again adapt to a changing event  
and find new ways to get a job done !

In the meantime enjoy the " curb side " service
