Your Link to Success

Seasonal CDL Positions

Seasonal Full-Time

NPC needs YOU! Northern Partners Cooperative is the premier full service cooperative serving North Central Illinois. As a full service cooperative we strive to maintain quality staff, equipment, locations and information across our offerings. Currently, we are looking for spring seasonal help to assist in our agronomy efforts in every service region. Tasks to be performed include, but are not limited to, driving a variety of trucks and equipment, loading and unloading agronomy products, general yard labor, assisting in customer transactions, etc.

If you possess a Class B (or better) CDL, let's talk!

Desired Requirements:

- Class B (or better) CDL
- High School Diploma or Equivalent
- Ability to consistently and safely lift 50 to 75 lbs.
- Availability to work extended hours
- Strong Communication Skills

Bonus Skills/Certifications:

- DOT Tanker Certifications
- DOT HazMat Certification
- Past Agricultural Industry Experience

The Northern Partners' Edge:

Come experience working with a diverse team of individuals within the agricultural industry. Develop and learn new skills to widen your horizons while showcasing your talents and broadening your network.

Applications may be found online at www.northernpartners.net.
