FARMERS ELEVATOR COOP WARMS UP SIOUXLAND

ROCK VALLEY, IA – Farmers Elevator Coop is joining hands with the Center of Hope this Holiday Season to bring comfort and warmth to deserving individuals throughout the Siouxland area. Farmers Elevator Coop is collecting new and gently used coats of all sizes and passing them on to the Sioux Falls based ministry for their winter clothing drive.

Mark Finck, General Manager at Farmers Elevator Coop is excited about the project. “We’ve been very blessed over the past year and we are excited about the opportunity to reach out and share with those in need.”

Coat drop-offs are located at all the Farmers Elevator Coop locations. They will be accepting coats throughout the winter.

Center of Hope seeks to provide encouragement, hope, and a listening ear for all those in need. They provide hope through various avenues including a care center, parish nurse, bike ministry, sports nights, summer camp, and a weekly worship hour.

“What a great organization” expressed Don Harberts, Agronomy Division Manager. “We applaud the efforts of the Center of Hope and if there is any way we can stand beside them, we want to do that. The Farmers Elevator Coop community is very grateful for the heartfelt work of the Center of Hope and we are proud to support their ministry in such a tangible way.”

Farmers Elevator Coop is a member owned cooperative whose mission is to bring high value products and services to customers in the nine different communities they serve. Farmers Elevator Coop seeks to benefit shareholders in servicing them through agronomy, feed, grain, beef, and swine offerings. For more information, visit www.farmerselevatorcoop.com.
