

# Falmouth Cooperative Co.

## Frequent Customer Program

### Rules & Benefits

- Present 4-H/FFA frequent customer card with each purchase made for your market livestock project.
- The frequent customer card will be punched for every \$10 purchase made.
- Once the card is full, a \$25 gift certificate (useful towards select livestock show products) or a \$25 statement credit and a T-shirt will be given.

### Account Program

In addition to the Frequent Customer Program, the Falmouth Cooperative Co. would like to provide the opportunity for 4-H and FFA kids to open an account for their market animals. This would be an **interest free** program through 10/31/2016. Upon the sale of the market animal, the account must be paid in full by 10/31/2016 to avoid finance charges (see credit policy). Please check the box below if you would like to enroll in this great opportunity.
