

## Attention Farmers!!!!!!!!!!!!!!

Bellingham Farmers Elevator would like to invite you to short and informative meeting.

Special Guests include:

Parker Edington, Fertilizer Agronomist from YARA fertilizer to talk about PROCOTE Micro nutrients on dry fertilizer and what it means for your fertilizer this spring.

Pete White, Crop Biological Representative from Mosaic Biosciences to talk about biological enhancements that can be applied to dry or liquid fertilizer and how it could benefit your crops.

and

Mark Glady, Regional Agronomist from WinField United to address the use of seed treatments and any other questions you may have.

**Where: Bellingham Community Center,  
dinner to follow at the Legion**

**When: March 28<sup>th</sup> @ 10:30 a.m. to 12 p.m.**

Hope you can make it
