MyCHS Customer App

Whether it's making a farm decision on the spot, pulling together year-end numbers or planning for next season, having the information you need when you need it is critical. The MyCHS web app can help. From your phone, tablet or laptop, you can view your CHS business activity in an instant. See scale tickets, grain contracts and settlements, prepay balances, billing history and more. Download data for tax planning or proof-of-yield for insurance claims. Access multiple accounts with a single sign-on so you can spend less time on bookkeeping and more on what you love – farming.
