Dear Panhandle Cooperative Stockholders,

I hope this letter finds you well. I am writing to inform you about an upcoming town hall meeting that will be held on December 13, 2023, at 6:00pm. The meeting will take place at the Gering Civic Center, and it is of great importance to all Panhandle Cooperative stockholders.

During the town hall meeting, we will discuss the potential merger with Farmer's Cooperative. As you may be aware, both cooperatives have been exploring opportunities to join forces in order to better serve our members and enhance our collective capabilities. The meeting will provide a platform for us to share information about the proposed merger, address any concerns or questions you may have, and seek your valuable input on this matter.

We understand that mergers can raise various questions and uncertainties, and we want to ensure that every member has the chance to be well informed and participate in the decision-making process. The town hall meeting will be an excellent opportunity for you to learn more about the potential benefits, risks, and considerations associated with this merger.

Your presence and active participation in this meeting are crucial, as we highly value your input and perspectives as Panhandle Cooperative members. We believe that together, we can build a stronger future for our cooperative and its members. Your engagement and participation in this decision-making process are essential to shape the direction of our cooperative going forward.

Please mark December 13, 2023, at 6:00pm on your calendars and make every effort to attend the town hall meeting. We look forward to seeing you at the Gering Civic Center. In the meantime, if you have any questions or concerns, please feel free to reach out to us through the provided contact information.

Thank you for your continued support, and we greatly appreciate your involvement in our cooperative community.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charlie Wright".
