MARCH 28, 2025

We are beginning sign-up for the 2025 Average Price Programs. Each program will price an equal number of bushels at the closing price each Wednesday during the pricing period.

- Old Crop, Elevator Stored - Elevator Bid
  - Pricing Period – April 16<sup>th</sup> through July 2<sup>nd</sup> (12 weeks)
  - End Result – Check for bushels sold from Storage
  - Storage fees on enrolled bushels will stop at mid-point of program
  - Corn or Beans – No Fee
- Old Crop Corn, Stored on Farm – Marquis Bid
  - Pricing Period – April 16<sup>th</sup> through July 2<sup>nd</sup> (12 weeks)
  - End Result – Contract for July delivery to Marquis
  - Corn Only – No Fee
- New Crop, Elevator Delivery – Elevator Bid
  - Pricing Period – April 16<sup>th</sup> through July 2<sup>nd</sup> (12 weeks)
  - End Result - Contract for Harvest Delivery to Seatonville
  - Corn or Beans – No Fee
- New Crop HTA, Flexible Delivery – Futures Price Only
  - Pricing Period – April 16<sup>th</sup> through July 2<sup>nd</sup> (12 weeks)
  - End Result – Hedge to Arrive Contract (Delivery time and Location to be established later)
  - December Corn Futures (4cents/bu. Fee) or January Bean Futures (6 cents/bu. Fee)

If you have any questions regarding the details of these programs or would like to discuss enrolling some of your bushels, please call or stop by the elevator office. 815-894-2013

Regards,

**Phil Jansen**
